### **Personnel**

The Governing Board desires to ensure that district-provided transportation is safe for students, staff, and the public. To that end, the Superintendent or designee shall establish a drug and alcohol testing program designed to prevent the operation of buses or the performance of other safety-sensitive functions by a driver who is under the influence of drugs or alcohol, including a driver of a school bus, student activity bus, or other school transportation vehicle or any other employee who holds a commercial driver's license which is necessary to perform duties related to district employment.

(cf. 3540 - Transportation)  
(cf. 3542 - School Bus Drivers)  
(cf. 3543 - Transportation Safety and Emergencies)  
(cf. 4020 - Drug and Alcohol-Free Workplace)  
(cf. 4112.41/4212.41/4312.41 - Employee Drug Testing)

A driver shall not report for duty or remain on duty when he/she has used any drug listed in 21 CFR 1308.11. A driver is also prohibited from reporting for duty or remaining on duty when he/she has used any drug listed in 21 CFR 1308.12-1308.15, unless he/she is using the drug under the direction of a physician who has advised him/her that the substance will not adversely affect the driver's ability to safely operate a bus. In addition, a driver shall not consume alcohol while on duty or for four hours prior to on-duty time. (49 CFR 382.201-382.209, 382.213)

The district's testing program for drivers shall include pre-employment drug testing and reasonable suspicion, random, post-accident, return-to-duty, and follow-up drug and alcohol testing of drivers. (49 USC 31306; 49 CFR 382.301-382.311)

The Board shall contract for testing services upon verifying that the personnel are appropriately qualified and/or certified and that testing procedures conform to federal regulations.

Except as otherwise provided by law, the Superintendent or designee shall not release individual test results or medical information about a driver to a third party without the driver's specific written consent. (49 CFR 40.321)

### **Consequences Based on Test Results**

Any driver who refuses to take a required drug or alcohol test, tests positive for drugs, or is found to have a blood alcohol concentration level that exceeds the levels specified in law shall be removed from performing safety-sensitive functions in accordance with 49 CFR 40.23 and 382.211.

No driver shall be temporarily removed from the performance of safety-sensitive functions based only on a laboratory report of a confirmed positive test before the certified medical review officer has completed verification of the test results, unless the district has obtained a waiver. (49 CFR 40.21, 382.107, 382.119)

Not later than five days after receiving notification of the test result or refusal to comply, the Superintendent or designee shall report any refusal, failure to comply, or positive test result to the California Department of Motor Vehicles (DMV) using a form approved by the DMV. (Vehicle Code 13376)

Any driver who refuses, fails to comply, or has a positive test result may be referred to an education and treatment program that meets the requirements of 49 CFR 40.281-40.313. If the substance abuse professional recommends that ongoing services are needed to assist the driver to maintain sobriety or abstinence from drug use, the Superintendent or designee shall require the driver to participate in the recommended services as part of a return-to-duty agreement and shall monitor his/her compliance. Any drop from a rehabilitation or return-to-duty program or a subsequent positive test result shall be reported to the DMV. (Vehicle Code 13376; 49 CFR 40.285, 40.287, 40.303, 382.605)

(cf. 4117.4 - Dismissal)

(cf. 4118 - Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

### Voluntary Self-Identification

1. No adverse action shall be taken against the driver by the district.
2. The driver shall be allowed sufficient opportunity to seek evaluation, education, or treatment to establish control over his/her drug or alcohol problem.

request the driver's past drug and alcohol testing record, as specified in 49 CFR 40.25, from any employer who has employed the driver at any time during the previous two years. In addition, the Superintendent or designee shall ask the driver if he/she tested positive, or refused to test, on any pre-employment drug or alcohol test that was administered during the past two years in the course of applying for another safety-sensitive transportation position that he/she did not obtain. The driver shall not be permitted to perform safety-sensitive functions if he/she refuses to provide consent to obtain the information from previous employers, the information from previous employers is not received within 30 days of the date on which the driver first performed safety-sensitive functions for the district, or the driver or a previous employer reports a violation of a drug or alcohol regulation without subsequent completion of the return-to-duty process. (49 CFR 40.25, 382.413)

Upon making a contingent offer of employment to a driver and prior to the first time the driver performs safety-sensitive functions for the district, the Superintendent or designee shall require the driver to undergo testing for drugs and to receive a verified negative test result. This testing requirement may be waived if all of the following conditions exist: (49 CFR 382.301)

1. The driver has participated in a qualified drug testing program within the previous 30 days.
2. While participating in the program, the driver either was tested within the past six months or participated in a random drug testing program for the previous 12 months.
3. The Superintendent or designee has contacted the testing program(s) in which the driver has participated and has obtained information about the program and the driver's participation as specified in 49 CFR 382.301.
4. No prior employer of the driver of whom the district has knowledge has records of the driver's violation of federal drug testing regulations within the previous six months.

In addition, the Superintendent or designee shall require the driver to undergo pre-employment alcohol testing in accordance with the procedures in 49 CFR 40.1-40.605 and to receive a test result indicating an alcohol concentration level of less than 0.04. (49 CFR 382.301)

#### Post-Accident Testing

As soon as practicable following an accident involving a school bus or student activity bus, the Superintendent or designee shall ensure that the driver involved is tested for alcohol and/or drugs under either of the following conditions: (49 CFR 382.303)

1. The accident involved loss of human life.
2. The driver receives a citation for alcohol use within eight hours of the accident, or for drug use within 32 hours of the accident, and the accident involved bodily injury to a person who required immediate medical treatment away from the scene of the accident and/or disabling damage to one or more vehicles requiring towing.

The Superintendent or designee shall attempt to administer a required alcohol test up to eight hours following the accident and/or a drug test up to 32 hours following the accident. The results of an alcohol or drug test conducted by federal, state, or local officials having independent authority for the test shall be considered to meet this requirement. If the alcohol test is not administered within two hours following the accident, or the test for drugs is not administered within 32 hours following the accident, the Superintendent or designee shall make a record stating the reasons the test was not promptly administered. (49 CFR 382.303)

#### Random Testing

The Superintendent or designee shall ensure that random, unannounced drug and alcohol tests of bus drivers are conducted on testing dates reasonably spread throughout the year. Such tests shall be conducted during, immediately before, or immediately after the performance of safety-sensitive functions. (49 CFR 382.305)

The Superintendent or designee shall ensure that the percentage of district drivers randomly tested for drugs and alcohol meets or exceeds the minimum annual percentage rates specified in 49 CFR 382.305 or subsequently published in the Federal Register.

Each driver selected for random testing shall have an equal chance of being tested each time selections are made. (49 CFR 382.305)

Each driver who is selected for testing shall proceed to the test site immediately or, if performing a safety-sensitive function other than driving a bus, then as soon as possible after ceasing that function. (49 CFR 382.305)

#### Reasonable Suspicion Testing

A driver shall be required to submit to a drug or alcohol test whenever the Superintendent or designee has reasonable suspicion that the driver has violated the prohibitions against the use of drugs or alcohol. Such reasonable suspicion shall be based on specific, contemporaneous, articulable observations, conducted during, immediately before, or immediately after the performance of safety-sensitive functions, concerning the driver's appearance, behavior, speech, and/or body odors. Reasonable suspicion of drug use may also include indications of the chronic and withdrawal effects of drugs. (49 CFR 382.307)

The person who makes the required observations for reasonable suspicion testing for drugs or alcohol shall be trained in accordance with 49 CFR 382.603. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not be the same person who conducts the alcohol test. (49 CFR 382.307)

Within 24 hours of the observed behavior or before the results of the drug or alcohol test are released, whichever is earlier, the Superintendent or designee shall prepare and sign a written record of the observations leading to a reasonable suspicion test. (49 CFR 382.307)

An alcohol test required as a result of reasonable suspicion shall be administered within eight hours following the determination of reasonable suspicion. If the test is not administered within two hours, the Superintendent or designee shall prepare and maintain on file a record stating the reasons the test was not promptly administered. (49 CFR 382.307)

In the absence of a reasonable suspicion alcohol test, the district shall take no action against a driver based solely on the driver's behavior and appearance, except that the driver shall not be allowed to report for or remain on safety-sensitive functions until an alcohol test is administered and the results show a concentration less than 0.02 or 24 hours have elapsed following the determination of reasonable suspicion. (49 CFR 382.307)

#### Return-to-Duty Testing

The Superintendent or designee may permit a driver who has violated federal drug or alcohol regulations to return to safety-sensitive functions after the driver has successfully complied with the education and treatment services prescribed by a substance abuse professional and has a taken a return-to-duty drug or alcohol test. The driver shall not resume performance of safety-sensitive functions unless the drug test shows a negative result and/or the alcohol test shows a concentration of less than 0.02. (49 CFR 40.305, 382.309)

#### Follow-Up Testing

Upon receiving a written follow-up testing plan from a substance abuse professional, the Superintendent or designee shall determine the actual dates for follow-up testing consistent with those recommendations and shall ensure that such tests are unannounced and follow no discernable pattern as to their timing. No additional tests beyond those included in the plan shall be imposed by the district. (49 CFR 40.307-40.309, 382.111)

#### Notifications

The Superintendent or designee shall provide each driver with materials explaining the federal regulations and the district's policy and procedure related to drug and alcohol testing and shall notify representatives of employee organizations of the availability of this information. This information shall include a detailed discussion of at least the following: (49 CFR 382.303, 382.113, 382.601)

1. The identity of the person designated by the district to answer driver questions about the materials
2. The categories of drivers who are subject to drug and alcohol testing

4. Specific information concerning prohibited driver conduct

5. The circumstances under which a driver will be tested for drugs and/or alcohol, including post-accident testing
6. The procedures that will be used to test for the presence of drugs and alcohol, protect the driver and the integrity of the testing processes, safeguard the validity of the test results, and ensure that those results are attributed to the correct driver
7. The requirement that a driver submit to drug and alcohol tests
8. An explanation of what constitutes a refusal to submit to a drug or alcohol test and the attendant consequences
9. The consequences for drivers found to have violated the prohibitions against drug or alcohol use, including the circumstances under which drivers will be removed immediately from safety-sensitive functions and the requirements for education, treatment, and return-to-duty testing
10. The consequences for drivers found to have a blood alcohol concentration between 0.02 and 0.04
11. Information concerning the effects of drug and alcohol use on an individual's health, work, and personal life; signs and symptoms of a drug or alcohol problem (the driver's or a co-worker's); and available methods of intervening when a drug or alcohol problem is suspected, including confrontation, referral to any employee assistance program, and/or referral to management

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Each driver shall sign a statement certifying that he/she has received a copy of the above materials. The Superintendent or designee shall maintain the original of the signed certificate and may provide a copy of the certificate to the driver. (49 CFR 382.601)

In addition, prior to administering each alcohol or drug test, the driver shall be notified that the test is required pursuant to Title 49, Part 382, of the Code of Federal Regulations. (49 CFR 382.113)

The driver shall be notified of the results of drug and alcohol tests in accordance with 49 CFR 382.411.

## Records

The Superintendent or designee shall maintain records of the district's drug and alcohol testing program in accordance with 49 CFR 40.333 and 382.401. Such records shall be maintained in a secure location with controlled access and shall be disclosed only in accordance with 49 CFR 382.405.

#### Assignment to Elective Courses Outside Credential Authorization

A full-time teacher with special skills and preparation outside his/her credential authorization may, with his/her consent and the prior approval of a district committee on assignments, be assigned to teach an elective course in the area of the special skills or preparation, excluding a course in English, mathematics, science, or social studies. (Education Code 44258.7)

The Superintendent or designee shall establish a committee on assignments, consisting of an equal number of teachers selected by teachers and school administrators selected by school administrators, to approve such assignments. (Education Code 44258.7)

Committee members shall serve a two-year term but may be reappointed using the same procedure as the initial appointment.

When determining whether a teacher is qualified for an assignment pursuant to Education Code 44258.7, the committee may consider the teacher's education, prior experience, observation by subject matter specialists, oral interviews, demonstration lessons, presentation of curricular portfolios, and/or written examinations.

Assignments approved by the committee shall be for a maximum of one school year, but may be extended by action of the committee upon application by the principal and teacher. (Education Code 44258.7)

### **Personnel**

Cautionary Notice: AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and instead redirects the funding for those categorical programs into the Local Control Funding Formula (LCFF) (Education Code 42238.01-42251). The supplemental and concentration grant portions of the LCFF may be used for any schoolwide or districtwide educational purpose in accordance with state regulations to be adopted by January 31, 2014, with a goal of increasing or improving services for English learners, foster youth, and students eligible for free and reduced-price meals. Certain requirements related to Tier 3 categorical program(s) in the following policy or regulation are no longer applicable.

**Personnel**

When the Governing Board has adopted the reduced workload program, any certificated employee may reduce his/her workload from full time to part time in accordance with applicable law, district regulations, and collective bargaining agreement.

Any such certificated employee who is a member of the defined benefit program of the California State Teachers' Retirement System (STRS) may continue to receive the service credits and maintain the retirement and health and welfare benefits that he/she would have received if employed on a full-time basis, provided the following conditions exist: (Education Code 22713, 44922)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

3. The employee shall not have had a break in service during the five years immediately preceding the reduction in workload. Sabbaticals, other approved leaves of absence, and unpaid absences from full-time employment for personal reasons shall not constitute a break in service. However, any period of time during which an employee is retired shall constitute a break in service and the employee shall be required to be employed to perform creditable service on a full-time basis for at least five school years preceding the workload reduction if he/she reinstates from retirement.

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

5. The employee shall not hold a position with a salary above that of a school principal.

7. The employee shall be paid compensation that is the pro rata share of the creditable compensation he/she would have earned had he/she not reduced his/her workload.
8. For each school year that the employee's workload is reduced, the district and/or employee shall make any payment or contribution necessary for the employee's retention of a benefit to which he/she is entitled if employed full time, in the same manner as if the employee were employed full time.
9. The agreement may be revoked only by mutual consent of the employee and the district.  
  
However, an employee who has entered into a formalized agreement with the district to have his/her contribution into the defined benefit program paid (picked up) by the district may not terminate the agreement to reduce his/her workload except by one of the following:
  - a. Terminating his/her service
  - b. Retiring from service under the defined benefit program
  - c. Continuing to perform creditable service under a new reduced workload arrangement for at least one-half of the time the district requires for full-time employment in accordance with Education Code 22138.5

### **Personnel**

#### Definitions

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the work or educational setting when: (Education Code 212.5; 5 CCR 4916)

1. Submission to the conduct is made explicitly or implicitly a term or condition of the individual's employment.
2. Submission to or rejection of such conduct by the individual is used as the basis for an employment decision affecting him/her.
3. The conduct has the purpose or effect of having a negative impact upon the individual's work or has the purpose or effect of creating an intimidating, hostile, or offensive work environment. The conduct is sufficiently severe, persistent, pervasive, or objectively offensive so as to create a hostile or abusive working environment or to limit the individual's ability to participate in or benefit from an education program or activity.
4. Submission to or rejection of the conduct by the other individual is used as the basis for any decision affecting him/her regarding benefits, services, honors, programs, or activities available at or through the district.

Other examples of actions that might constitute sexual harassment, whether committed by a supervisor, a co-worker, or a non-employee, in the work or educational setting, include, but are not limited to:

1. Unwelcome verbal conduct such as sexual flirtations or propositions; graphic comments about an individual's body; overly personal conversations or pressure for sexual activity; sexual jokes or stories; unwelcome sexual slurs, epithets, threats, innuendoes, derogatory comments, sexually degrading descriptions, or the spreading of sexual rumors
2. Unwelcome visual conduct such as drawings, pictures, graffiti, or gestures; sexually explicit emails; displaying sexually suggestive objects
3. Unwelcome physical conduct such as massaging, grabbing, fondling, stroking, or brushing the body; touching an individual's body or clothes in a sexual way; cornering, blocking, leaning over, or impeding normal movements

Prohibited sexual harassment may also include any act of retaliation against an individual who reports a violation of the district's sexual harassment policy or who participates in the investigation of a sexual harassment complaint.

All newly hired or promoted supervisory employees shall receive training within six months of their assumption of the supervisory position. (Government Code 12950.1)

The district's training and education program for supervisory employees shall include information and practical guidance regarding the federal and state laws on the prohibition against and the prevention and correction of sexual harassment, and the remedies available to the victims of sexual harassment in employment. The training shall also include all of the content specified in 2 CCR 7288.0 and practical examples aimed at instructing supervisors in the prevention of harassment, discrimination, and retaliation. (Government Code 12950.1; 2 CCR 7288.0)

In addition, the Superintendent or designee shall ensure that all employees receive periodic training regarding the district's sexual harassment policy, particularly the procedures for filing complaints and employees' duty to use the district's complaint procedures.

**Administrative Regulation**  
**Personal Illness/Injury Leave**

AR 4161.1, 4361.1

**Personnel**

Full-time certificated employees are entitled to 10 days leave of absence for personal illness or injury (sick leave) per school year, with full pay. Employees working less than five school days per week shall be granted comparable sick leave in proportion to the time they work. (Education Code 44978)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee who does not complete a given year of service shall be charged for any unearned sick leave used as of the date of termination of service.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

At the beginning of each school year, employees shall be notified of the amount of sick leave they have accumulated.

Any certificated employee who leaves the district after at least one school year of employment and accepts a certificated position in another district, county office of education, or community college district within one year shall have transferred with him/her the total amount of accumulated sick leave. The district shall not require new employees to waive leave accumulated in a previous district. (Education Code 44979, 44980)

Sick leave may be used by a certificated employee for absences due to:

1. Temporary inability to perform his/her duties because of illness, accident, or quarantine, whether or not the cause of the absence arises out of and in the course of employment (Education Code 44964)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

2. Pregnancy, miscarriage, childbirth, and recovery (Education Code 44965, 44978)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Personal necessity (Education Code 44981)

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical and dental appointments, in increments of not less than one hour
5. Industrial accidents or illnesses when leave granted specifically for that purpose has been exhausted (Education Code 44984)

(cf. 4161.11/4361.11 - Industrial Accident/Illness Leave)

6. Illness of the employee's child, parent, spouse, registered domestic partner, or domestic partner's child in an amount not less than the sick leave that would be accrued by the employee during six months at his/her then current rate of entitlement (Labor Code 233)

An employee shall notify the district of his/her need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than 3 p.m. of the day preceding the day on which he/she intends to return to work. If failure to so notify the district results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

(cf. 4121 - Temporary/Substitute Personnel)

#### Continued Absence After Available Sick Leave Is Exhausted

After a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or injury, continues to be absent for an additional period up to five months, he/she shall receive 50 percent of his/her regular salary during the five-month period of absence.

If a certificated employee is not medically able to resume his/her duties after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

(cf. 4116 - Probationary/Permanent Status)

#### Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may, at any time, require additional written verification by the employee's physician or other authorized health care provider. Such verification shall be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury.

The Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to duty and stipulating any necessary restrictions or limitations.

When an employee is absent from his/her duties because of an industrial accident or illness: (Education Code 44043, 44044, 44984, 45192)

1. The leave shall start on the first day of absence.

3. The leave shall be reduced by one day for each day of authorized absence, regardless of an award granted under workers' compensation laws.
4. When the leave overlaps into the next fiscal year, the employee is entitled to only the amount of unused leave due the employee for the same illness or injury.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Upon expiration of allowable leave for an industrial accident or illness, the employee may use personal illness and injury leave provided pursuant to Education Code 44977, 44978, 44983, or 45191, as applicable, provided that such leave, when added to any continuing workers' compensation award, does not result in a payment to the employee of more than his/her full wage or salary. (Education Code 44984, 45192)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)  
(cf. 4261.1 - Personal Illness/Injury Leave)

If a certificated employee is unable to resume the duties of his/her position after exhausting all accumulated sick leave, including the consecutive five-month period provided by Education Code 44977, he/she shall, if not placed in another position, be placed on a reemployment list for a period of 24 months if he/she is a probationary employee or 39 months if he/she is a permanent employee. (Education Code 44978.1)

If a classified employee has exhausted all available leaves of absence, paid or unpaid, and is not medically able to resume the duties of his/her position, he/she shall, if not placed in another position, be placed on a reemployment list for a period of 39 months. If he/she becomes medically able to resume duties during the period of reemployment eligibility, he/she shall be employed in a vacant position in the class of his/her previous assignment over all other candidates except those on a reemployment list established because of lack of work or lack of funds, in which case the employee shall be listed in accordance with seniority regulations. The Superintendent or designee shall ensure that all donations are confidential.

**Involuntary Suspension Without Pay, Demotion, Reduction of Pay Step in Class, or Dismissal of Permanent Classified Employees**

Permanent classified employees shall be subject to personnel action (suspension without pay, demotion, reduction of pay step in class, dismissal) only for cause. The Board's determination of the sufficiency of the cause for disciplinary action shall be conclusive.

1. Causes

In addition to any disqualifying or actionable causes otherwise provided for by statute or by policy or regulation of this district, each of the following constitutes cause for personnel action against a permanent classified employee:

- a. Falsifying any information supplied to the school district, including, but not limited to, information supplied on application forms, employment records, or any other school district records.
- b. Incompetency.
- c. Inefficiency.
- d. Neglect of duty.
- e. Insubordination.
- f. Dishonesty.

work, or furnishing a controlled substance to a minor.

- i. Conviction of a felony, conviction of any sex offense made relevant by provisions of law, or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of his/her position. A plea or verdict of guilty, or a conviction following a plea of nolo contendere, is deemed to be a conviction for this purpose.
- j. Absence without leave.
- k. Immoral conduct.
- l. Discourteous treatment of the public, students, or other employees.
- m. Improper political activity.
- n. Willful disobedience.
- o. Misuse of district property.

- u. Unlawful retaliation against any other district officer or employee or member of the public who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on the job or directly related thereto.
- v. Any other failure of good behavior either during or outside of duty hours which is of such nature that it causes discredit to the district or his/her employment.

Except as defined in item "s" above, no personnel action shall be taken for any cause

which arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the district.

## 2. Initiation and Notification of Charges

The Superintendent or designee may initiate a personnel action as defined herein against a permanent classified employee.

In all cases involving a personnel action, the person initiating the action shall file a written recommendation of personnel action with the Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The recommendation shall include:

- a. A statement of the nature of the personnel action (suspension without pay, demotion, reduction of pay step in class, or dismissal).
- b. A statement of the cause or causes for the personnel action, as set forth above.
- c. A statement of the specific acts or omissions upon which the causes are based. If a violation of rule, policy, or regulation of the district is alleged, the rule, policy, or regulation violated shall be stated in the recommendation.
- d. A statement of the employee's right to appeal the recommendation and the manner and time within which the appeal must be filed.
- e. A card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges.

## 3. Employment Status Pending Appeal or Waiver

Except as provided herein, any employee against whom a recommendation of personnel action has been issued shall remain on active duty status and responsible for fulfilling the duties of the position pending his/her appeal or waiver thereof.

If the Superintendent or designee determines that a permanent classified employee should be dismissed and that his/her continuing in active duty status would present an unreasonable risk of harm to students, staff, or property while proceedings are pending, the Superintendent or designee may order the employee immediately suspended from duty without pay in conjunction with the recommendation of personnel action. This suspension order shall be in writing and shall state the reasons that the suspension is deemed necessary. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance. Except in cases of emergency when the employee must be removed from the premises immediately, the Superintendent or designee shall give the employee written notice of the proposed recommendation of dismissal at least five calendar days before the

effective date of any order of suspension issued in conjunction with a recommendation involving dismissal. This notice shall state that immediate suspension without pay is being considered, the reasons for the proposed dismissal and proposed immediate suspension without pay, materials upon which the proposed action is based, and the employee's right to respond to the Superintendent or designee orally or in writing before the final recommendation and order are issued.

#### 4. Time Limit of Suspension

Except for a suspension imposed under #3 above, any suspension invoked under these rules against any one person for one or more periods shall not aggregate more than 90 calendar days in any 12-month period; however, this time limitation shall not apply to cases in which a personnel action of dismissal is modified by the Board to a suspension.

#### 5. Right to Appeal

Within five calendar days after receiving the recommendation of personnel action described above, the employee may appeal by signing and filing the card or paper included with the recommendation. Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of appeal. A notice of appeal is filed only by delivering the notice of appeal to the office of the Superintendent or designee during normal work hours of that office. A notice of appeal may be mailed to the office of the Superintendent or designee but must be received or postmarked no later than the time limit stated herein. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any appeal of the recommendation of dismissal shall also constitute an appeal of the suspension order, and the necessity of the order shall be an issue in the appeal hearing.

If the employee fails to file a notice of appeal within the time specified in these rules, he/she shall be deemed to have waived his/her right to appeal, and the Board may order the recommended personnel action into effect immediately.

#### 6. Amended/Supplemental Charges

At any time before an employee's appeal is finally submitted to the Board or to a hearing officer for decision, the complainant may, with the consent of the Board or hearing officer, serve on the employee and file with the Board an amended or supplemental recommendation of personnel action.

If the amended or supplemental recommendation presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare his/her defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegation may be made orally at the hearing and shall be noted on the record.

## 7. Hearing Procedures

a. The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the Board or hearing officer and the availability of counsel and witnesses. The parties shall be notified of the time and place of the hearing. The employee shall be entitled to appear personally, produce evidence, and have counsel. The employee shall be entitled to a public hearing if he/she demands it when the Board is hearing the appeal. The complainant may also be represented by counsel. The procedure entitled "Administrative Adjudication" commencing with Government Code 11500 shall not apply to any such hearing before the Board or a hearing officer. Neither the Board nor a hearing officer shall be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made or approved by the hearing officer or the Board.

b. All hearings shall be heard by a hearing officer (who shall be an attorney licensed in the State of California) except in those cases where the Board determines to hear the appeal itself. In any case in which the Board hears the appeal, the Board may use the services of its counsel or a hearing officer in ruling upon procedural questions, objections to evidence, and issues of law. If the appeal is heard by the Board, the Board shall affirm, modify or revoke the recommended personnel action.

c. If the appeal is heard by a hearing officer, he/she shall prepare a proposed decision in a form that may be adopted by the Board as the decision in the case. A copy of the proposed decision shall be received and filed by the Board and furnished to each party within ten days after the proposed decision is filed by the Board. The Board may:

- (1) Adopt the proposed decision in its entirety.
- (2) Reduce the personnel action set forth in the proposed decision and adopt the balance of the proposed decision.
- (3) Reject a proposed reduction in personnel action, approve the personnel action sought by the complainant or any lesser penalty, and adopt the balance of the proposed decision.
- (4) Reject the proposed decision in its entirety.

d. If the Board rejects the proposed decision in its entirety, each party shall be notified of such action and the Board may decide the case upon the record including the transcript, with or without the taking of additional evidence, or may refer the case to the same or another hearing officer to take additional evidence. If the case is so assigned to a hearing officer, he/she shall prepare a proposed decision, as provided in item "c" above, upon the additional evidence and the transcript and other papers which are part of the record of the prior hearing. A copy of this proposed decision shall be furnished to each party within 10 days after the proposed decision is filed by the Board.

e. In arriving at a decision or a proposed decision on the propriety of the proposed personnel action, the Board or the hearing officer may consider the records of any prior

personnel action proceedings against the employee in which a personnel action was ultimately sustained and any records that were contained in the employee's personnel files and introduced into evidence at the hearing.

#### 8. Hearing Decision

The decision of the Board shall be in writing and shall contain findings of fact and the personnel action approved, if any. The findings may reiterate the language of the pleadings or simply refer to them.

The decision of the Board shall be certified to the Superintendent or designee who recommended the personnel action, and he/she shall enforce and follow this decision. A copy of the decision shall be delivered to the appellant or his/her designated representative personally or by registered mail. The decision of the Board shall be final.

#### 9. Compulsory Dismissal

The district shall not employ or retain in employment any person who has been convicted of any sex offense as defined in Education Code 44010 or any controlled substance offense as defined in Education Code 44011. However, the district may employ a person convicted of a controlled substance offense if the Board determines from the evidence it requires that the person has been rehabilitated for at least five years. If any such conviction is reversed and the person acquitted or charges dismissed except as otherwise provided below, the employee may be reemployed by the district, although reemployment is not a guarantee. (Education Code 45123)

The district reserves the right to dismiss an employee for any acts upon which the original criminal charges were based, despite the disposition by the courts. If dismissal is recommended and upheld, an employee will not be reemployed or compensated for the time he/she was suspended unless otherwise required by law. An employee shall be given notice of the possibility of not being reimbursed during mandatory suspension if he/she is ultimately dismissed for the acts upon which the original charges were based.

#### 10. Extension of Compulsory Leave

The Board may extend an employee's compulsory leave of absence by giving him/her notice, within ten days after the entry of judgment in the proceedings, that he/she will be dismissed in 30 days unless he/she demands a hearing. Employee compensation during the period of compulsory leave shall be made in accordance with law. (Education Code 44940.5)

## **Administrative Regulation**

### **Personal Illness/Injury Leave**

AR 4261.1

#### **Personnel**

#### Purposes of Leave

A classified employee may use personal illness or injury leave granted by the district for the following purposes:

1. Absences caused by accident or illness, whether or not the absence arises out of or in the course of employment, or by quarantine which results from contact during the performance of the employee's duties with other persons having a contagious disease (Education Code 45199)

2. Absences due to pregnancy, childbirth, and recovery (Education Code 45193)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Cases of personal necessity as specified in Education Code 45207

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical or dental appointments, in increments of not less than one hour

5. Cases of industrial accident or illness when leave granted specifically for that purpose has been exhausted (Education Code 45192)

(cf. 4261.11 - Industrial Accident/Illness Leave)

6. Illness of the employee's child, parent, spouse, registered domestic partner, or domestic partner's child, up to the amount of leave that would be accrued during six months for personal illness or injury (Labor Code 233)

#### Notification of Absence

An employee shall notify the Superintendent or the designated manager or supervisor of his/her need to be absent as soon as such need is known so that the services of a substitute may be secured as necessary. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than 3 p.m. of the day preceding the day on which he/she intends to return to work.

## Verification Requirements

After any absence due to illness or injury, the employee shall submit a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may, at any time, require additional written verification by the employee's physician or medical practitioner. Such verification shall be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury.

The Superintendent or designee may require an employee to visit a physician selected by the district and at district expense in order to receive a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the statement concludes that the employee's condition does not warrant continued absence, the Superintendent or designee, after giving notice to the employee, may deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return and stipulating any recommended restrictions or limitations.

(cf. 4032 - Reasonable Accommodation)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Verification requirements shall not discriminate against any employee on the basis of his/her religious practice.

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4031 - Complaints Concerning Discrimination in Employment)

## Accrual of Leave

Any classified employee employed five days a week is entitled to 12 days leave of absence, with full pay, for personal illness or injury per fiscal year. An employee who serves less than a full fiscal year or fewer than five days a week shall be granted comparable leave in proportion to the time he/she works. (Education Code 45191)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

An employee may take leave for personal illness or injury at any time during the year, even if credit for such leave has not yet been accrued. However, a new employee shall not be entitled to more than six days of such leave until he/she has completed six months of active service with the district. (Education Code 45191)

Unused days of personal illness or injury leave shall be accumulated from year to year without

limitation. (Education Code 45191)

At the beginning of each school year, each employee shall be notified of the amount of leave which he/she has accumulated.

Upon employment with the district, a new classified employee shall receive credit for any personal illness or injury leave accumulated in a previous school district, county office of education, or community college district if he/she left employment with that district within the previous year and had been employed by the previous district for at least one year. If the employee's previous employment had been terminated for cause, the Governing Board may determine whether to accept the transfer of the accumulated leave. (Education Code 45202)

An employee who does not complete a given year of service shall be charged for any unearned personal illness or injury leave used as of the date of termination.

#### Extension of Leave

A permanent employee who is absent because of a personal illness or injury and who has exhausted all available personal illness or injury leave, vacation, compensatory overtime, and any other paid leave shall be so notified, in writing, and offered an opportunity to request additional leave. The Board may grant the employee additional leave, paid or unpaid, for a period not to exceed six months and may renew this leave for two additional six-month periods or for lesser periods. Total leave so granted shall not exceed 18 months. (Education Code 45195)

(cf. 4216 - Probationary/Permanent Status)

If the employee is still unable to resume his/her duties after all available paid and unpaid leaves have been exhausted, the employee shall be placed on a reemployment list for a period of 39 months. If during this time the employee becomes able to resume the duties of his/her position, he/she shall be reemployed in the first vacancy in the classification of his/her previous assignment. The employee's reemployment shall take preference over all other applicants except those laid off for lack of work or lack of funds, in which case the employee shall be ranked according to his/her seniority. (Education Code 45195)

#### Compensation

A classified employee who has exhausted all paid leave, including personal illness or injury leave shall receive his/her salary, minus the actual amount paid a substitute employed to fill the position during the employee's absence for the remaining days within a total five-month period of absence. (Education Code 45196)

The five-month period shall commence on the first day of the leave of absence and shall run concurrently with any other paid leave.

## **Board Policy Evaluation/Supervision**

BP 4315

### **Personnel**

The Governing Board recognizes the importance of regular and comprehensive evaluations of administrative and supervisory personnel to provide ongoing feedback for continuous improvement of employee performance. Evaluations shall be linked to the district's vision, strategic plan, school improvement goals, professional development plan, and goals for student achievement.

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

(cf. 0500 - Accountability)

(cf. 2140 - Evaluation of the Superintendent)

(cf. 4300 - Administrative and Supervisory Personnel)

#### **Certificated Administrative and Supervisory Personnel**

The Superintendent shall develop objective evaluation guidelines and standards for use in the district's evaluation system for certificated administrative and supervisory personnel. Such standards may include those of the California Professional Standards for Education Leaders as well as other standards and criteria developed by the Board and Superintendent.

Each certificated administrative and supervisory employee shall be evaluated every other year. However, an employee may be evaluated every five years provided that he/she has been employed by the district for at least 10 years, his/her previous evaluation rated him/her as meeting or exceeding standards, and the evaluator and the employee agree to this schedule. Either the evaluator or the employee may withdraw consent for this schedule at any time. (Education Code 44664)

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)

(cf. 4116 - Probationary/Permanent Status)

Any certificated administrative and supervisory employee who is new to a position may be evaluated each year for the first two years in the position. Evaluation is a continuous process and may occur between scheduled periods at the request of the employee, his/her supervisor, or the Superintendent or designee.

Evaluations shall be conducted within the timelines specified in law, Board policy, and administrative regulation. The evaluation process for certificated administrative and supervisory personnel shall be the same as for other certificated instructional personnel, as detailed in AR 4115 - Evaluation/Supervision.

(cf. 4115 - Evaluation/Supervision)  
(cf. 4312.1 - Contracts)

### Classified Senior Management and Supervisory Employees

Classified senior management and supervisory employees shall be evaluated in accordance with the procedures developed by the Superintendent or designee and approved by the Board.

(cf. 4215 - Evaluation/Supervision)

Evaluations shall be used to recognize the exemplary skills and accomplishments of classified senior management and supervisory employees and to identify areas needing improvement. When the evaluation indicates areas needing improvement, the Board expects such staff to take the initiative to improve their performance and for their supervisors to assist them in obtaining needed job skills.

(cf. 4331 - Staff Development)

The evaluation shall be dated and signed by the classified senior manager or supervisory employee and his/her supervisor. The manager or supervisory employee may respond in writing to the evaluation within a reasonable time after receiving a copy of the evaluation. The response shall be attached to the evaluation and placed in his/her personnel file.
