Extended Day

Our after-school care program is open 2:55 to 5:00 Mon-Thurs and 1:15 to 5:00 on Friday. **It will run every day in January.**

Math Tutoring Club

Tutoring Club runs from 2:55 to 4:00 on Mondays and Wednesdays. Dates will be 6, 8, 15, 22, 27, and 29. No club on 13th and 20th.

From Mr. Coffin's Desk

The Winter is still with us and we will continue to keep you informed with our calling system if we need to call a late start or snow day. If you are not receiving the auto calls, emails, or texts please let the office know. Make sure that you continue to have all your student's snow gear out and ready for the next snow day. Our Field Trip to the tree farm went very well and we got a wonderful tree. The Craft Fair was great, and we had a good turnout of volunteers to run each of the crafts. We can always use lots of help so just let us know if you want to volunteer for the next event (Valentine's Day Party). The Appreciation dinner on the 13th of December was such a great time, thank you to all that attended. The Saturday School planned for this month is on the 25th. We will be organizing the storage and possibly spreading new wood chips in the playground. This is a huge undertaking and we could use all the help we can get. Please think about putting this date on your calendar and attending to help out.

SPIRIT Day January 14th

This month is "Character Dress Up". You may dress up as your favorite character from a video game, book, or movie! You may also bring electronics on this day for recess use. January 14th

Field Trip on January 13th

On Monday January 13th our upper grade science class will be going to Stanford University. We will leave at 7:30am and not return until 6:00pm depending on traffic. The remainder of our students will come to school at standard time and have Math as normal. They will leave between 11:30 and 12:00 to go to the Sea Quest aquarium in Folsom. Both trips should be a great time for the students. Permission slips will be out soon so please keep your eyes peeled for them!

District Planning Meetings

Every three years we step back and evaluate our programs and plan for the future. It is always hoped that our families will join us for this process. Last month we tried to look at English and Math. Unfortunately, we did not have any parents attend last month. We will be meeting after school starting at 3:15 on January 29th. We do hope that you will be able to join us to talk about the future of our school!
