### From Mr. Coffin's Desk

Don't forget that the school's only fundraiser is this month. Please check in with us to see what you can do to make it a success. We need help gathering donations for the raffle. We have a letter that you can use to encourage businesses to donate and for tax purposes. Ticket sales for the dinner and raffle can be done at some of the local stores. This has been very successful in the past.

We grade by Trimesters here at Indian Diggings, so we have until the end of the month for report cards to come out. You can continue to expect progress reports for all students as they finish projects and take tests. Remember that the progress reports are our students' chance to see where they stand and then decide to work hard and redo work to bring their grades up if necessary. Please help your student to stay focused with plenty of sleep, a place to do work at home, and healthy food choices. We also have a Saturday School (This is an opportunity for students to make up an absence and have a chance to get perfect attendance.), a Field Trip to the pumpkin patch, and a Harvest Fair. Please check the website frequently and call if you have any questions.

*Please sell your dinner and raffle tickets! Turn in your money each week. This is our only fundraiser for the year so please do what you can to support this effort. You can sell dinner tickets, raffle tickets, visit businesses to get donations, donate items, and help at the event. Thank you for your support!*

## Special and Up Coming Events

Our Saturday School on October 20<sup>th</sup> will be a fun day full of activities with projects and chores to do. We have several opportunities this month to volunteer! The fundraiser is on the 12<sup>th</sup>. The pumpkin patch field trip is on the 19<sup>th</sup> and we will need drivers. The Harvest Fair on the 26<sup>th</sup> needs adults to help run games and crafts. If you are interested in helping out at any of these events, please let us know!

## Thank you again for all your support!!
