From Mr. Coffin's Desk

We have several fun activities scheduled for this month. Please see below to find out how you can help with our Valentine's Day celebration. We have two holidays with no school for our President's Birthdays on Friday the 15th and Monday the 18th for one four-day weekend. Don't forget to put them on your calendars! We will have our trimester awards assembly on Friday, February 22nd at 11:00. Please come and support our students. The 21st and 22nd are both minimum days and I will be contacting some parents for conferences. If I don't call you know your student is doing fine. If you would like a conference let me know.

We are gearing up for our Spring Trip. This year we are going to Marin and San Francisco. The goal is to study the history of that area along with biology related sciences. Please make sure that you fill out the green planning form and return it to school.

School Effectiveness Survey

This year's survey will be out soon. It is one of the many ways to give us feedback on our program. If you would like to visit the school to see more of our process and curriculum you are welcome to schedule a visit with Mr. Coffin. Your feedback is very important to our process so please be honest and ask questions if you need to.

Math Club

Math Club runs from 2:55 to 4:05 on Wednesdays and Thursdays. **February dates: 6, 7, 13, 14, 20, 27, and 28.**

After school care runs daily until 5:00. Please remember to pay Mrs. Joyce.

Valentine's Day Party

We will be celebrating Valentine's Day on the 14th. I expect we will start with set up at 12:00 and the party will start at about 12:40 after lunch and end at 2:30 for the parents and staff to help clean up so we can all go home at 2:55. Students will go to room 1 with Mr. Coffin at 2:30 to work. Party Activities: 1. Dance Party. 2. Card Exchange: each student should bring cards to pass out at 1:00 to the class (see back for class list). If you are interested in helping, please let us know.
