Math Tutoring Club

From Mr. Coffin's Desk

There is a lot to do in March! First, we will be taking a field trip to the **Oral Interpretation Festival** at Pioneer Elementary School on March 25th. Upper grade parents need to drive their students to the event so please make plans to arrive at school no later than 2:15 to pick up. You will need to be at Pioneer Elementary by 2:45pm. If you need a ride for your student, please let Mr. Coffin or Connie know. Primary (K-3) students must be picked up early at 2:30 as there will be no staff left at school. Second, we have our last **Saturday School** on March 14th. We will be finalizing all of our projects for our play and it is important that all students with absences attend if they are able. Remember, all students are welcome to attend even if they do not have absences to make up. Third, our **School Planning Survey** is attached to this newsletter. Remember that this is one of your opportunities to give us input on our school. Lastly, our **School Play** is on Wednesday, March 18th at 6pm. We are looking forward to presenting our work to our community. We hope to see you there.

I wanted to thank our custodian Jack and parent Gabriel for spreading all our new wood chips in the playground. It was a big job and we really appreciate it! We have a Middle School Dance coming up on Friday, March 20. Invitations have gone out so please get those permission slips in. Book orders are due online by Wednesday, March 25th. SPIRIT Day March 17th

This month is "Wear Green Day". You may wear any shade of green you wish to celebrate St. Patrick's Day with us. March 17th

Yosemite Spring Trip

This year's spring trip is to Yosemite. We will leave on Monday, May 11th and return on Friday the 15th. We have a limited number of chaperone spots so please let us know if you plan to attend the trip. For those of you that are new this is an extended camping trip just like our trip to Bear Lake. We will be in tents and be hiking and performing community service in the park. We have been informed by the park that due to the location of the camps we will not be able to go if there is rain directly before or expected during the trip. Because of this, we are planning a backup program. This program will consist of indoor day trips from the school in the local area. More info on this will be coming soon.
