- ◆ Open House and  
Spring Trip Meeting  
Wed May 1 @6:00
- ◆ Spring Trip  
May 14-17

## Math Club

Math Club runs from 2:55 to 4:05 on Wednesdays and Thursdays. **April dates: 3, 4, 10, 11, 24, and 25.**

After school care runs daily until 5:00. Please remember to pay Mrs. Joyce.

### From Mr. Coffin's Desk

We are in the home stretch! April is a quiet month for family activities but a busy month for our students. They are finishing up learning their math skills, completing multiple essays and reports, and finalizing all their projects in Art, Music, Science, and History. Please make sure that they are at school every day!

We will be taking our **Final Exams** during the first two weeks of May. (Just before we go on our spring trip.) These exams will include paper pencil tests for Math, English, writing, and online tests in Math and English (SBAC). Please make sure your students are at school every day those weeks. All students 3rd through 8th grade will participate in Final Exams.

As you may know, we had to postpone our 2<sup>nd</sup> Trimester Awards Assembly due to the weather and issues with report cards. We have now confirmed our new date for this assembly. In an effort to not ask you to come multiple days we will hold the assembly on the 12<sup>th</sup> of April right after our school egg hunt. This is a half day so students will be out at noon. We will start the egg hunt at 10:30 and the assembly around 11:15.

Finally, if you have not filled out our **School Planning Survey** please let us know and we can get you a copy to fill out. I am hoping to collate the data by the end of this week (April 6<sup>th</sup>). This is one of your opportunities to give us input on our school! Always remember that you are welcome at our board meetings usually on the second Wednesday of the month. This month we are meeting on the 10<sup>th</sup>. Extra copies of the surveys are available in the office so please ask.

*School Effectiveness Survey*  
*Your survey is attached to this newsletter. Please return it as soon as you can.*

### Emergency Drills

As you know, the school conducts monthly emergency drills. These drills are intended to make sure the staff, students, and even parents are well trained in our emergency procedures. In order to help you, as parents, be more informed we will be sending automated calls out each time we have a drill. The call will let you know that a drill occurred and that if it had been a true emergency we would be giving you further information. It will also remind you that only adults that are on your students emergency cards may pick up in an emergency. We will check IDs. It will also remind you that we do have two alternate pick up locations if we are required to evacuate the campus: Pioneer Park/El Dorado Fair Grounds
