Wednesdays and
Thursdays. Dates for
August will be the 22nd,
29th, and 30th.

From Mr. Coffin's Desk

I would like to welcome all our students, families, and staff back to another wonderful year at Indian Diggings School. We have a lot of great things planned for this year. Please know that my door is always open. I am hoping that you will feel comfortable coming to see me, giving me a call, or dropping me an email when you need to. No question is too small! I also want you to know that this will be another building year for our school. We will try new things and abandon others. I only ask for your flexibility and understanding with this continued process and I want you to know that we welcome your thoughts and ideas. I also want to stress the importance of school attendance not only coming to school every day but also coming on time. We start our Math program right away and need all students in their seats ready to learn. Thank you for your attention to this important item.

Grant Coffin

gcoffin@edcoe.org

The After School Program will run every Wednesday and Thursday. The program (now called Tutoring Club) runs from 2:55 to 4:05 starting Aug 22nd.

Back To School Night For Parents

Back to School Night is a wonderful opportunity for you, as supporters of our students, to make a connection with the school. The purpose of the evening is to share the academic program with our adult partners. The Volunteer Club will also have their annual kickoff meeting and report some important information. We are looking for a President and Vice President this year! Also, we are looking for volunteers to help with school events, music, drama, art, PE, reading, and math. If you are interested, please let us know. This evening is meant for the adults to work together to be ready for the year ahead, so students will not be in the room with us. If you need childcare, please let the office know.

The Annual Student/Family Camping Trip

Please be thinking about helping with this great trip! We will need a head-count by August 17th so please contact the school office if you would like to participate. This is a great chance to get to know each other and start the year as a team. All students, parents, and staff will spend the night at Camp Lotus. We will all gather at the school on the morning of the 23rd of August and leave for the campground. Friday morning we will go to Marshall Gold Discovery Park and return to the school by 1:15 on Friday.
