After School Program

Tutoring Club runs from
2:55 to 4:05 on
Wednesdays and
Thursdays. Dates for
September will be the 5th,
6th, 12th, 13th, 19th, 26th,
27th. We will not meet the
20th due to the field trip.

From Mr. Coffin's Desk

I would like to thank all the parents that came out to Back to School Night. As always, we had a great time learning about the classroom and the curriculum we use. If you did not have a chance to come, please take a look at our website where you will find all the information that I shared. If you have any questions, please feel free to stop by to chat. We are very busy this year and events are always coming up. If you have any questions about an event, please let us know. I want to make sure that everyone has all the information they need to feel connected to what we are doing at school. There are several ways that we will communicate this year: 1) automatic calls, 2) Eagle News, 3) Website, 4) Paper Flyers, and 5) Personal Calls.

Mr. Coffin

gcoffin@edcoe.org

Very soon you will get your packet for the fundraiser. Please sell your dinner and raffle tickets! Turn in your money each week. This is our only fundraiser for the year. Thank you for your support!

Dinner Fundraiser

Our planning meeting is on Tuesday the 4th of September right after school. Please come and help plan our biggest event of the year. We will be looking for volunteers to help with set up, serving, clean up, cooking, etc. We also need each family to bring several desserts and at least five items for the auction. We will be talking about good strategies for collecting donations and selling tickets at our meeting on the 4th. We look forward to seeing you there.

Special and Up Coming Events

There are two special events that you will need to get on your calendar now:
The Family Science Night on Sep. 20th is going to be at the Community Observatory in Placerville. We will start at sun down (7:02pm). We are studying the solar system in science this trimester and this is a great opportunity to view what we are talking about. Our Saturday School on October 21st (9:00-2:00).
Please put this date on your calendar!
