

## Parent Survey Questions

**Directions:**

1. When answering most of the survey questions you will need to talk to your students regarding their instruction during the day. Please complete the survey with your student if possible. (You are welcome to observe in the classroom any time prior to completing the survey if you wish.)
2. Some questions only pertain to specific grades. You will see the following notes with each question (All, K-3, 4-8). Please answer the questions that pertain to your students' grade level.
3. At the end of each section there is a space for you to write in comments regarding that section. Please use this section to elaborate on your answers. You may also use an extra sheet of paper if you run out of room.
