School to Home Communication
Indian Diggings School

It is important to keep a line of communication open for our students to be successful. There are many ways to stay in communication with the school:

- The Indian Diggings Web Site is updated on a weekly basis.
- Monthly Eagle News by paper, email, and on the website.
- Auto Calls from Mr. Coffin on an as needed basis. You can have up to ten phone numbers with the option for text message and up to four emails on the list.
- Email and phone calls are also a great way to stay in touch. Click below for staff email.
- And . . . stopping by to see us. Parents are always welcome to stop by before and after school to chat. (You can stay during the day to volunteer too!)

Please fill out the information below, cut, and return it to the school office.

School to Home Communication

Student Name: _____

Phone Numbers:

1: __ __ __ -__ __ __ -__ __ __ __ Cell _ Home _ / I would like text messages to this phone: Yes No
